COMMENTS						
Overall Fair / Poor snow conditions, ice covered base, sporadic sections of grass						
Set Track is intact/visible in most places, shallow/undefined, Hard/Icy						
Skate Ski/Snow comb portions are deteriorated, sections with holes from foot traffic - occurring during mild temp/soft snow conditions in weeks past						
1 - Sections of grass along highway, limited or no defined track						
2 - Skate Ski/Center of Trail mostly flat due to less foot traffic, no defined corduroy
