BURWALDE WOODS TRAILS

Saturday, March 14, 2015

DETAILS: To celebrate our 10th Distance Challenge, Boundary Trails Nordic has decided to ski across Canada in one day, virtually of course, but the skiing is real and everyone contributes to the total km count.

SCHEDULE: 8:00am Registration desk opens (all skiers must register)

1:30pm Pizza Lunch provided by the club

8:00pm Official end to skiing (clubhouse will be open and warm for post event celebrations)

COST: Donations to BTNC are gratefully accepted and bring lots of potluck snacks to keep our skiers going.

24-HOUR CHALLENGE: If 12 hours of skiing is not enough for you the course will official open at 8:00pm Friday, March 13th. Be aware that the evening and night skiing are unsupported so it is best to be skiing with a partner. The clubhouse will be warm throughout the event. For more info: btncski.wordpress.com
