

CLUB ZOOM MEETING

OCTOBER 24, 2020
12:00 PM

1. Club registration
 - a. Zone4 renewal, membership, updated insurance manual & waiver
 - b. Q & A
 - i. Zone4 club renewal demo
 - ii. The “Event Page” on Zone4 is NOT a list of club activities that needs to be submitted to the Division (CCSAM Office) as per Insurance policy
 - iii. Club activities/events (not already on CCSAM calendar) needs to be submitted to CCSAM Office. Any format works – a Google Doc shared with info@ccsam.ca works well (easy to add last minute events/activities).
 - iv. Each member or event participant who is not a club member MUST sign a waiver, whether that is online through Zone4 (the waiver is a preset form element) or a hardcopy that you provide and store in your club records.
2. COVID-19
 - a. Protocol and supporting guidelines
 - b. Q & A
 - i. Each club must develop their own return-to-skiing protocol related to their own activities &/or facilities. These do not need to be submitted to or approved by CCSAM but you may submit for feedback at your discretion.
 - ii. Return to Competition has a link to a risk assessment tool that is helpful to clubs and organizers.
 - iii. Check the Return to SDP guidelines doc for a link to COVID friendly outdoor games.
3. Events
 - a. Return to Competition guidelines
 - i. RRN feeling working on COVID-friendly adaptations to Wed Night Race Series and feeling optimistic for hosting of Falcon Combined. Jackrabbit Jamboree not likely.
 - ii. KNBC going ahead with plans for Provincials weekend in Feb. incl. adaptations to banquet. Costs will be higher. Concerned with possibility that participation may be low due to general OVID concern. Many in the room indicated they intend to participate. Kids want to race! Safely.
 - iii. Birchkin Pumpksi and Sandilands Ski Day planning tentatively.
 - b. Zone4 Race Timing training

- i. 2 day virtual training course with Zone4.
- ii. Can we create an interclub race timing crew who can support CCSAM events in future.

4. Venues

- a. Return to Facilities guideline
- b. Bulk order of COVID signage
 - i. Laurie and Karin working on designing and producing signs, some clubs have replied with the types of signs they would like. Laurie/Karin will follow up.

5. Rural ski club issues

- a. Trail conflicts, shared resolutions
 - i. Perennial issue anticipated to increase with increase use of trails this winter.
 - ii. Many rural clubs could use signs to remind non skiing trail users to please continue to enjoy healthy outdoor activity but to remember ski trails are for skiing only (paraphrasing!)
 - iii. Laurie would appreciate help with specific message clubs would like to see on a sign. If not, we will make the decisions and hope you like it.

- 6. Group agreed a bi-weekly meeting is preferred to monthly. Karin will send a Doodle poll to pick a date.
