

CCSAM 2016 Event Organizers Meeting notes

1. 2015-2016 Season Debrief
 - a. Signage at MB Loppet was excellent. Large, well placed, very clear/visible.
 - b. Signage at Falcon (race) sub-optimal. Plenty of race marshals though so no one went off course.

2. Ski Patrol discussion
 - a. organizers need to consider safety/first aid response whether that's with Ski Patrol of other trained and qualified (and equipped) personnel.
 - b. Must have first aid at likely fall areas.
