*Note that **we will be running an open class event for the 6k race again this year, for any adults interested in a slightly more casual ski!***

Covid Precautions

We will be running a simplified event in an effort to minimize grouping of participants. Races will all be timed individual start, and there will be no pre-race meeting per se and no awards after the event. Note that the **Pinawa Club is open in its capacity as a restaurant, but is not being used as a race venue**. Come, get your bib, ski, and make your way home. As a CCSAM-sanctioned event, we will follow the policies outlined on their website:

www.ccsam.ca

Four season bathrooms located on Vanier Avenue in the town of Pinawa may be used as washroom and changing facilities if necessary. Porta potties will be available at the Pinawa Club parking lot for racers.

Date, schedule and race distances are subject to change depending on snow and weather conditions. Check www.whiteshellskiclub.com and www.zone4.ca for current information.
