

NATIONAL COACHES WEEK

September 16- September 24, 2023

National Coaches Week encourages Canadians to say thanks and to celebrate the tremendous positive impact coaches have on athletes and communities. This week is an opportunity to recognize coaches for the integral role they play by simply saying #ThanksCoach.

Toolkit

The Coaching Association of Canada has created a Participation Guide, which includes National Coaches Week graphics you can personalize to your sport, templates and wording for your newsletter and social media, and more: <https://coach.ca/events/national-coaches-week/marketing-toolkit-2023>
